COLLEGE T-SHIRT

Be sure to bring your college t-shirt so we can take a few pictures of you in it. If you are deciding between two schools, bring both shirts, and we will take pictures in both!

Not sure where you will go to college yet?

No problem!

I offer mini sessions in late April, May, and June to take group pictures with your friends in your college t-shirts. We take a bunch of group pictures, and everyone gets several individual pictures as well.
