**RAIN RESCHEDULE
INFO**

RAIN

If it is raining or is forecasted to rain during our session hours, I will text you in the morning on your session day to let you know that we need to reschedule. I will speak with my makeup artist (for girls) and we will coordinate on availability and offer the soonest session options to you for a reschedule date. The same applies for boys, just without the makeup :)

We want the best possible conditions for your photos with beautiful, glowing light.
